A MESSAGE FROM

PASTOR JONATHAN

For many, 2022 marked a return to pre-COVID routines and rhythms after the disruptions of the pandemic era, including church engagement. Over the past two years, those who engaged primarily through live stream and other online service formats have steadily returned to in-person services, life group meetings, and other church family gatherings. Like many churches, this year helped give way to the reality of who is here. We are deeply grateful to all who previously and presently call Harvest City their church home. In line with previous years, the church is growing, with new families joining! This year, we welcomed 40 new families who completed our membership class and have since become covenant members.

Despite the precarious economic climate, the Lord continues to provide generously. Because of your faithful financial support, giving at Harvest City has increased over the past three years. This is a testament to your commitment to the only thing of lasting value: the Gospel of Jesus Christ. This annual report will help summarize what God did through us in 2022.

The Lord is still building His Church, and His promise about her has not changed: the gates of hell will never prevail against her. What a great calling and privilege it is to serve in the capacities we do and participate together in God's work on the earth. We are deeply grateful to all who have stood with us through this season, and for your generous support and partnership in the Gospel. You make all the difference in us fulfilling our mission together: making disciples of all people, bringing them into the life, family, and purpose of God.

Together in Christ,

jclatt

**We exist
to bring all
people into
the life, family
and purpose
of God.**

SENIOR LEADERSHIP

Harvest City Church is led by the Lead Pastor, Jonathan Clatt, and governed by the Board of Elders / Directors who help refine and enact the vision of the church. Our Board receives regular updates and information about the ministries and finances of the church and meets in person with the Lead Pastor a minimum of six times per year to discuss to provide oversight for areas such as the vision and mission of the church, doctrinal issues, ministry approach and philosophy, executive staff, annual budget and finances, and the overall health and effectiveness of the church. Each elder has been an active leader of the church for at least ten years with the longest tenured, Joe Dejesa, serving 31 years.

About the Lead Pastor

Jonathan Clatt, and his wife, Hera, have served as the Lead Pastors of Harvest City Church since 2015. Prior to succeeding the Founding Pastors, Joe and Rose Dejesa, they led the Youth/Young Adult department, special events and creative efforts of the church since 2004. Before entering full-time vocational ministry, Jonathan worked as a Marketing and Creative Director. He remains active as a consultant for various clients which include *Advisors Asset Management*, a Fortune 500 financial investment firm; *Eckard Enterprises*, an energy investment firm; *Deacon Recruiting*, the largest executive staffing organization in San Antonio. He holds a B.B.A in Marketing from the University of Texas at San Antonio and a Masters of Practical Theology from the King's University in Southlake, Texas.

OUR HISTORY

1987 Our founding pastor, Joe Dejesa, established the Filipino-American Christian Fellowship (FACF) to reach families within the Filipino community in San Antonio, TX. The church initially met in homes but moved their meetings to Alliance Bible Church to accommodate the growing congregation.

1991 The church's leadership shifted its focus to expand its reach beyond the Filipino community to include all people of different backgrounds, cultures, and ethnicities. The leadership changed the name to Lord of the Harvest Church (LHC) to better position the church for expansion.

1996 LHC purchased six acres in the city off Stahl Road and broke ground on a new church building (our present facility). A year later, LHC began holding Sunday Services and saw 125 people in attendance.

2002 Pastor Joe implement a new vision for the church, emphasizing small groups, evangelism, and discipleship. The church began growing, reaching over 200 people weekly. Our youth ministry began several Bible clubs in public schools and hosted citywide outreaches called Blazing Furnace, with one event having over 750 people in attendance.

2010 Harvest Time Community Church, led by Pastor John Jones, officially joins with LHC.

2015 With a growing congregation of 275, Pastors Joe and Rose Dejesa stepped down as Senior Pastors and installed the Youth and Young Adult Pastors Jonathan and Hera Clatt, who had been with the church since its inception, as the new Lead Pastors. More than 500 people attend the service.

2018 At our Legacy Service, Pastor Jonathan announced to more than 700 people in attendance, with the support of the Board of Elders, that Lord of the Harvest Church would change its name to Harvest City Church to position us for growth and expansion through church planting.

2020 At the beginning of the pandemic, we shifted to online-only services for several weeks before returning to in-person, outdoor services held on our 6-acre property and the Real Life Amphitheater. We made our official return to our building in August.

2021 We celebrated our 30th Anniversary at Embassy Suites Landmark with 575 people present.

Today Today Harvest City Church still exists to bring all people into the life, family, and purpose of God. As we remain dependent upon the Lord to reveal what's next, we will continue to be faithful in the work of making disciples, sharing life together, and creating a kingdom legacy for generations to come.
